**Job Title:** Line Cook

**Reports to:** Pub Management Team

**About Beards Brewery:**

Beards Brewery is located in the scenic gaslight district of downtown Petoskey, where we operate our small 1bbl (31 gallon) pilot brew house and have a tap room/restaurant open to the public. We additionally have a 15bbl (465 gallon) production brew house in Charlevoix where we keg and can our beers to meet our growing demand at our pub location as well as distribution to bars and restaurants within Michigan.

**Job Description:**

Here at Beards we are passionate about craft and make as much of our product from scratch as we can. Our line cooks play a key role in customer satisfaction as we strive for excellence and consistency in each dish. The right candidate must be passionate about cooking and presentation. We are a high volume and fast paced brewpub, therefore it's crucial that all line cooks are prepared and excited about working in a fast paced environment.

Line cooks are responsible for preparing and stocking their station at the beginning and end of each shift as well as maintaining high levels of cleanliness during the duration of each shift. The ideal candidate will be able to keep up with the high volume of orders coming in as well as executing each dish consistently while meeting our quality and presentation standards.

**ESSENTIAL DUTIES AND RESPONSIBILITIES:**

- Adhere to the Beards Employee handbook
- Remain up to date on all things Beards
- Report to work on time, every time
- Maintain a clean working environment
- Communicate effectively with all team members
- Cultivate a team oriented environment
- Keep open communication with management on ways to continually improve efficiencies
- Setting up and stocking stations
- Prepping food items for service
- Cooking menu items to order in a timely manner
- Comply with safety standards, nutrition and sanitation regulations
- Be willing to complete various cleaning projects
- Complete any other assigned tasks

## **Passionate about craft through community.**

### KNOWLEDGE / SKILLS / REQUIREMENTS:
